**OWNERSHIP CODES:** C=Carriage; I=Independent; SCI=Service Corporation International

**Direct Cremation** includes removal of remains, local transportation to crematory, necessary authorizations, basic services of staff, the crematory fee, and the required \$50 Medical Examiner fee. For the purposes of our survey we included the cost of the alternative container for cremation but not the cost of an urn.

**Immediate Burial** includes removal of remains to the funeral home, basic facilities, basic services of staff, and transportation to the cemetery. This year we included the cost of an alternative container or the funeral home's least expensive casket for burial.

**Standard Funeral** includes removal of remains to funeral home, basic services of staff, washing and disinfecting, embalming, dressing, casketing, cosmetology and hairdressing, use of facilities and staff for visitation for one day and the funeral ceremony, use of hearse and driver for local transportation, and a flower car. The cost of a casket is not included.

*The Funeral Home cost survey is conducted and published every other year by volunteers of the Memorial Society of Northern Virginia.
