Burial in a National Cemetery

Information about burial of veterans and family at Arlington National Cemetery, Quantico National Cemetery and Culpepper National Cemetery can be found at the Veterans Administration website. Burial benefits available include a gravesite for the veteran, their spouse and any dependent children in any of 131 national cemeteries with available space, opening and closing of the grave, a concrete grave liner, perpetual care, a Government headstone or marker, a burial flag (which comes from the funeral home of your choice), and a Presidential Memorial Certificate, and military honors (for the veteran only) at no cost to the family. Some Veterans may also be eligible for Burial Allowances. Cremated remains are buried or inurned in national cemeteries in the same manner and with the same honors as casketed remains.
